About your IBMid Account

By creating, or using, an IBMid to access an IBM Web site or other service, you acknowledge that you have read, understand, and agree to be bound by the below terms, in addition to the terms in the IBM Terms of Use, the IBM Privacy Agreement and the "About your IBMid Account Privacy" section of this notice provide details on how IBM protects your personal data.

Most IBMid accounts are individual IDs, meaning you manage your own account information and access your account through the IBMid login service (i.e. IBMid is the authenticating agency).

If your account is created using an email address containing a domain owned by an organization which you are employed by, contracted to, or volunteer for, your organization can:

- inquire about the status of your ID
- request your account settings (including vour Dersonal <u>information</u>)
  What data does IBM collect?

controlled by your organization's login
service.

About your IBMid Account Privacy

I acknowledge that I understand how
IBM is using my Basic Personal Data
and (if applicable) how my
organization may become the
authenticating agency for my IBMid
account. I certify that my age is at
least the age of consent for my
country of residence.
